

EMAD ALY EL DIN EL SHERBINY
Ph.D., M.Sc.

Professor
Department of Architecture
Faculty of Engineering
CAIRO UNIVERSITY
GIZA, EGYPT

RESUME

A- PERSONAL:

Name: Emad Aly El Din EL SHERBINY

Date of Birth: 21 February, 1970.

Citizenship: Egyptian.

Marital Status: Married.

Languages: Arabic, French & English.

Current Status: Professor, Department of Architecture,
Faculty of Eng. ,Cairo University, EGYPT.

B- EDUCATION:

- Cairo University, Faculty of Engineering, Egypt.
Doctor of Philosophy, Urban Design / Architecture:
"Urban Spaces As a Tool in Community Development"
A Framework for Management and Participation
Key Words: Urban design, Management, Development control, Urban spaces, Community development.
Date of Graduation: November 2000.

- Cairo University, Faculty of Engineering, Egypt.
Master of Sciences, Urban Design / Architecture:
"Urban Spaces In new developed cities"
An analytical study of the design of urban spaces in new developed cities and the behavior of people
Key Words: Urban design, New developed cities, Urban spaces, Urban behavior.
Date of Graduation: April 1996.

- Cairo University, Faculty of Engineering, Egypt.
Post Graduate Studies in the field of Urban Design & Architecture.
Date: September 1992 – July 1993.

- Cairo University, Faculty of Engineering, Egypt.
Bachelor of Architectural Engineering.
Grade: **"Very Good With Degree of Honor"**, Top of Class four Years.
Date of Graduation: July 1992.

- College De La Salle – Daher, Cairo, Egypt.
High School Bacaloret, Thanaweia Amma.
Grade: **"Excellent, 93 %"**.
Date of Graduation: July 1987.

C- PROFESSIONAL / RESEARCH EXPERIENCE:

1- ACADEMIC:

- **Professor**, Department of Architecture, Faculty of Engineering, Cairo University, July 2011 – Present.
- **Associate Professor**, Department of Architecture, Faculty of Engineering, Cairo University, December 2005 – July 2011.
- **Assistant Professor (Teacher)**, Department of Architecture, Faculty of Engineering, Cairo University, December 2000 – December 2005.
- **Teacher Assistant**, Department of Architecture, Faculty of Engineering, Cairo University, April 1996 – December 2000.
- **Demonstrator**, Department of Architecture, Faculty of Engineering, Cairo University, September 1992 – April 1996.

2- PROFESSIONAL:

- **Professor**, Department of Architecture, Faculty of Engineering, Cairo University, July 2011 – Present.
- **Director**, Center for Architectural & Engineering Design Support (CAEDS) – Cairo University, April 2012 – present.
- **Member**, of the Architectural Committee, Supreme Council of Culture, Ministry of Culture, Egypte, January 2012 – present.
- **Cultural Attache**, Egyptian Embassy, Paris, October 2008 – October 2011.
- **Partener** in International Center for Engineering Consultancy (ICEC), Cairo, 2007 – Present.

- **Consultant for the Ministry of High Education – Missions Sector and Cultural Affairs** in the project “Mobilisation and Work Environment enhancement”, 2006 – 2008.
- **Consultant for the National Organization of Urban Harmony - Ministry of Culture** in the Qualified Committee for the Urban Harmony Standards for Coastal Areas, 2006 – 2008.
- **Consultant for the National Organization of Urban Harmony - Ministry of Culture** in the Committee of Valuable Building Documentation in different cities, 2005 – 2008.
- **Consultant for the Ministry of High Education** in the project “Courses and curriculum development for the Technical Colleges and Institutes”, 2005 – 2006.
- **Senior Architect (Consultant)** in “Historical Cairo Studies And Development Center – Ministry of Culture“, July 2000 – November 2000.
- **Partener** in ARCHA Group for Engineering Consultancy, Cairo, 2000 - 2005.
- **Architect** in “Integrated Studies Group“, Cairo, 1992 – 2008.

3- TEACHING:

- **Joined in teaching or taught** the following courses at Cairo University:

Under Graduate Courses:

- Architectural and Engineering Drafting.
- Design Studios (year 1 – 2 – 4 & Graduation Project).
- Urban Design.
- Urban Conservation & Development Control.
- Material Specification.
- Community Development & Community Design.
- Working Design & Details.

- Landscape Design & Architecture.

Post Graduate Courses:

- Applied Research – Urban Planning Studies.
 - Development Control.
 - Landscape Design & Architecture.
- **Part time teaching for the Department of Architecture, at some private universities:**
- 6 October University, 2001 - 2005.
 - MSA University, 2001 - 2002.
 - Higher Institute for Architecture, 6 October, 2003 - 2004.
- **Full academic supervision for the Department of Architecture - Aviation Institute, 2004 – 2008, teaching the following courses:**
- Design Studios (1st – 2nd – 3rd year & Graduation Project).
 - Landscape & Urban Design.
 - Urban Conservation & Development Control.
 - Material Specification.
 - Working Design & Details.

4- COMMUNITY AND UNIVERSITY SERVICES:

- **Participate to some activities in the University:**
- Director, Center for Architectural & Engineering Design Support (CAEDS) – Cairo University.
 - Vice Director, Center for Architectural & Engineering Design Support (CAEDS) – Cairo University.
 - Participate in the organization of the Department of Architecture Exhibition.
 - Participate in the organization of the Students Scientific Conference, Faculty of Engineering.
 - Participate in the maintenance work and building enhancement, Department of Architecture, Faculty of Engineering.
 - Participate in the organization committee of the International Architectural Conference (ARCHCAIRO 01, 02, 03 and 04).

- Participate in some architectural projects in Faculty of Engineering as an Architectural Consultant.
- **Appreciation certificates and Awards:**
 - Award of Excellence in Graduate Studies – Center for development of graduate studies and research, 2003 - 3004.
- **Membership associations, trade unions and committees:**
 - Member in the General Syndicate of Engineers, Cairo.
 - Member of the alumni association and lovers of the department of architecture, Cairo University.
 - Chairman of the committee of building documentation – Matrouh governorate, Egypt.
 - Member of the Architectural Committee, Supreme Council of Culture, Ministry of Culture, Egypte.

5- TRAINER ACTIVITIES:

- **Joined in teaching or taught** the following Training courses, at Sultanat Of Oman, for municipalities engineers (15 lectures Each):
 - Quantity Surveying.
 - Building Materials, Testing and Selection.
 - Building Contract and Tender Documents.
- **Joined in teaching or taught** the following Training courses, in Egypt and Arab Word, for practice engineers:
 - Urban Design and Planning for Modern Cities.
 - Building Conseravtion and Maitenance.
 - Building Contract and Tender Documents for Education buildings.

6- TRAINING COURSES:

- **Participate to some Training Courses:**
 - First training course:**
 - Title:** Modern ways in teaching
 - Training center:** Faculty and Leadership Development Center

Date: 14 – 17 May 2005

Second training course:

Title: Decision making and Problem solving

Training center: Faculty and Leadership Development Center

Date: 21 – 24 May 2005

Third training course:

Title: Quality standards in teaching

Training center: Faculty and Leadership Development Center

Date: 26 – 28 April 2011

Fourth training course:

Title: Research Ethics

Training center: Faculty and Leadership Development Center

Date: 26 – 28 April 2011

Fifth training course:

Title: Credit hour system

Training center: Faculty and Leadership Development Center

Date: 2 – 4 May 2011

Sixth training course:

Title: New technics in teaching

Training center: Faculty and Leadership Development Center

Date: 2 – 4 May 2011

Seventh training course:

Title: Competitive research projects

Training center: Faculty and Leadership Development Center

Date: 25 – 27 June 2011

Eighth training course:

Title: Prsentation skills

Training center: Faculty and Leadership Development Center

Date: 25 – 27 June 2011

7- HIGH EDUCATION DEVELOPMENT:

- **Participate to some Higher Education Development Committees:**
 - Consultant for technical colleges development project – engineering project.
 - Consultant for technical colleges development project – curriculum development for architectural sectors.
 - Architectural consultant.
 - Consultant for private education sector – engineering reports and design criteria.

- **Reports for technical support and work environment:**
 - Work environment enhancement report for Missions and Cultural Affairs Sector, 2006 – 2008.
 - Technical reports for some Cultural Egyptian Offices abroad – Moscow, 2007.
 - Technical reports for some Cultural Egyptian Offices abroad – London, 2009.

8- RESEARCH:

- **Participate to some National and International Conferences:**
 - Cairo University third Conference, “University and Community Services”, Cairo 2001.
 - Seminar, “Old Damascus Conservation – National and International Heritage” Damascus – Syria 2003.
 - Architectural Education Conference, UNESCO & UIA, 2003.
 - El Azhar seventh international Conference, Cairo 2004.
 - Assiout fifth international Conference “Urbanism and Environment”, Assiout 2004.
 - First International Conference for Architectural Department – Cairo University “ Architecture and Sustainable Development”, Cairo 2004.
 - “Architectural Conservation Between Theories and Practice”, Dubai first international Conference, UAE 2004.
 - El Azhar eighth international Conference, Cairo 2005.

- Second International Conference for Architectural Department – Cairo University “ Urban design and Globalisation”, Cairo 2005.
 - Conference "Urban Planning and Traffic and Circulation Problems in Arab Cities", Syria 2005.
 - Third International Conference for Architectural Department – Cairo University “Appropriating Architecture, Taming Urbanism in the Decades of Transformation”, Cairo 2006.
 - “Architectural Conservation Chalanges and Opportunities”, Dubai second international Conference, UAE 2007.
 - Fourth International Conference for Architectural Department – Cairo University “Linking and Bridging: Academia and the Professional Realm”, Cairo 2007.
 - Seminar “Housing 3” – “The Housing District more then a Simple House” the Supreme Committe for Developing Riyad City, Riyad – Saudi Arabia 2007.
 - Fifth International Conference for Architectural Departement – Cairo University “Towards A New Architectural Vision – Presentation ans Representation”, Cairo 2009.
 - International Conference on Solid Waste Management and Society. Cairo University, Egypt 2010.
- **Publications:**
- **The Role of the University in the Community Development for Urban Surrounding – Roles and Actions.** Cairo University third Conference, “University and Community Services”, Cairo 2001.
 - **Damascus Citadel and the Urban Surrounding – Heritage context – Urban Conservation Approach and Adaptive Reuse.** Seminar, “Old Damascus Conservation – National and International Heritage” Damascus – Syria 2003.
 - **Landscaping as a Key Enrolment for Revitalizing Urban Settings.** El Azhar seventh international Conference, Cairo 2003.
 - **Urban Environment Improvement As Key Approach To Conserve Fortunate Heritage With Special Reference To**

- “El Gamalia” - Historical Cairo.** Assiout fifth international Conference “Urbanism and Environment”, Assiout 2003.
- **Urban Spaces as an Improvement to the Deteriorated Housing Areas.** Assiout fifth international Conference “Urbanism and Environment”, Assiout 2003.
 - **To a New Urban Planning for Egyptian Villages – Selected Projects.** First International Conference for Architectural Departement – Cairo University “Architecture and Sustainable Development”, Cairo 2004.
 - **Studies On Integrated Approach For Urban Conservation Projects – Fatimid Cairo.** Dubai first international Conference, “Architectural Conservation Between Theories and Practice”, UAE 2004.
 - **Community Participation in Conservation & Rehabilitation Projects – El Darb El Ahmar.** Dubai first international Conference, “Architectural Conservation Between Theories and Practice”, UAE 2004.
 - **Plantation Structure For Landscaping Settings - Towards An Appropriate Approach To Document Related Variables Of Sustainability.** El Azhar eighth international Conference, Cairo 2004.
 - **University and community – Mutual Roles – Circulation and Traffic Problems in the Surrounding Areas.** Conference "Urban Planning and Traffic and Circulation Problems in Arab Cities", Syria 2005.
 - **Virtual Environments And The Conservation Of Historic Urban Sites.** Third International Conference for Architectural Departement – Cairo University “Appropriating Architecture, Taming Urbanism in the Decades of Transformation”, Cairo 2006.
 - **Sustainable Transportation And Conservation Projects In Historical Sites.** Dubai second international Conference, “Architectural Conservation Chalanges and Opportunities”, UAE 2007.
 - **Integrated Approach For Conservation And Development - In Popular Heritage Architectural Sites - Upgrading And Community Development.** Dubai second

international Conference, “Architectural Conservation Chalanges and Opportunities”, UAE 2007.

- **Urban Space Social Actions – Approach to Participation and Interaction.** Seminar “Housing 3” – “The Housing District more then a Simple House” the Supreme Committe for Developing Riyad City, Riyad – Saudi Arabia 2007.
- **New Concepts in the Eductional Evaluation tools – Selected Case Studies.** Fifth International Conference for Architectural Departement – Cairo University “Towards A New Architectural Vision – Presentation ans Representation”, Cairo 2009.
- **An Urban Approach to Future Solid-Waste Treatment Facility - A closure Look At Wadi-Arrayheiat, Egypt.** Cairo University Journal for Environmental Sciences, Egypt, 2010.
- **Human Action And Conservation Projects - Comparative Analysis For Two Conservation Projects - Pyramids Plateau At Giza & Sarabeet El-Khadem At Sinaii.** Dubai second international Conference, “Architectural Conservation Chalanges and Opportunities”, UAE 2007. & Arab Archeologists Journal, Cairo, Egypt. 2011.
- **Urban Aspects for Environmeental impact Assesment Projects – Urban and Social Studies.** Cairo University Journal for Environmental Sciences, Egypt, 2011.
- **Users’ Behaviours and Activities Regarding Urban Spaces and the Designed Landscape.** Spaces and Flows: An International Journal on Urban and ExtraUrban Studies. Common Ground Publishing, USA. 2011.

D- CULTURAL ATTACHEE MISSION:

Participate In Several Missions As A Cultural Attachee In The Egyptian Cultural Bureau - Paris:

- 01- Follow-up Egyptian students in France, Belgium and Switzerland.
- 02- Supervise the Egyptian school exam in Paris.
- 03- Follow-up the training of the Egyptian French Language teachers of the Ministry of National Education.
- 04- Participate to some scientific cooperation agreements and conventions with different French Universities and Research Centers.
- 05- Follow-up the scientific cooperation portfolio between Egypt and France, and some mutual visits.
- 06- Participate in the events of the "Egyptian French Year for Sciences and Technology 2010", as a member of the organizing committee.
- 07- Follow-up the maintenance and the conservation project of the "Egyptian Cultural Bureau – Paris" (listed building).
- 08- Participate in some cultural events and festivals in the Egyptian Cultural Center.
- 09- Follow-up with the Egyptian Scientists in France, Belgium and Switzerland for scientific cooperation.
- 10- Follow-up with the Egyptian team participating in the OECD meeting in Paris.

- 11- Activate some scientific cooperation projects with some french institutes (N+I, EGIDE, CNOUS, INRA, Inst. Pasteur, Conceil d'Europe ..).

E- PROFESSIONAL WORK:

I- Participate In Several Projects As An Architect In “Integrated Studies Group“:

- 01-Guest house and community facilities**, National Research Center, Egypt, Design and Tender documents, 1992. (Center for Development of Post Graduate Studies & Research in Engineering Sciences – Faculty of Eng., Cairo University).
- 02-Kindergarten, Outpatient clinic and medical research unit**, National Research Center, Egypt, Design and Tender documents, 1992. (Center for Development of Post Graduate Studies & Research in Engineering Sciences – Faculty of Eng., Cairo University).
- 03-Competition for Planning and Design of Mobarak center for sciences North West Coast**, 1990. (Center for Development of Post Graduate Studies & Research in Engineering Sciences – Faculty of Eng., Cairo University).
- 04-Competition for a mixed developed building**, Dokki, Giza, El-Masreyeen company for development, 1990.
- 05-Department of Computer Engineering and Dr. El Sawi Hall**, Faculty of Eng., Cairo University. Conceptual Design, 1993.
- 06-The city of Culture & Sciences**, at the Central Spine of the 6 October City. Conceptual Design, Working drawings and tender documents, 1993 - 2003.
- 07-Pyramids Plateau Conservation project**, Giza, Egypt, The Supreme Council for Antiquities, Ministry of Culture, Center for Engineering & Archaeology, Faculty of Eng., Cairo University. Master Plan, Site Planning & Landscaping Architectural Design, Tender Documents, 1994-1997.

- 08-Hanging Church (Mary Guirguis)**, Old Cairo, The Supreme Council for Antiquities, Ministry of Culture, Center for Engineering & Archaeology, Faculty of Eng., Cairo University. Master Plan, Site Planning & Landscaping Preliminary Design, Tender documents, 1997.
- 09-Aqueducts Settings (Mameluk Period)**, (2.5 Km x 150 Meter), The Supreme Council for Antiquities, Ministry of Culture, Center for Engineering & Archaeology, Faculty of Eng., Cairo University. Master Plan, Site Planning & Landscaping, Preliminary Design, Tender documents, 1997-1998.
- 10-Damascus Citadel**, Old Damascus, Ministry of Culture, Syria, Center for Engineering & Archaeology, Faculty of Eng., Cairo University. Master Plan, Site Planning & Landscaping Preliminary Design, 1997-1998.
- 11-Planning and Development of Al - Yasmineen Suburb**, 2 Neighborhoods N^o 16 & 17, New Settlement 1, Greater Cairo, Housing Coop. For Public Security Department Ministry of Interior. Site Planning & Landscaping, Infra-Structure, Housing Prototypes - Preliminary Design, Tender documents, 1995-1998.
- 12-Small Industries Complex**, 6 of October Industrial Estate (2), Owner Al- Mahmoudeya Public Contracting Company, Egypt. Preliminary Design, Tender documents, 1997.
- 13-Some Mixed Development, Seasonal Housing & Commercial Buildings**, Saudi Arabia. Preliminary Design, Tender documents, 1995-1998.
- 14-Cairo University, Main Campus, Master plan**, Traffic solution, and the lighting alternative, Preliminary Design, 1998 – 1999.
- 15-Cairo University, Faculty of Engineering, Master plan**, Traffic solution, and the lighting alternative, Preliminary Design, 1998 – 1999.

16-Cairo University, Faculty of Medecin (Kasr Eini), Master plan, Traffic solution, and the lighting alternative, Preliminary Design, 1998 – 1999.

17-Rehabilitation project, “The Main Building – Supreme Council of Universities”, Cairo, Rehabilitation and adaptive reuse, as a team member of the Center for Architectural & Engineering Design Support (CAEDS) – Cairo University. Preliminary design & Working drawings & Bidding process, 2003 – 2005.

18-Rehabilitation project, “Ministry of International Cooperation Building”, Cairo, Rehabilitation and adaptive reuse, as a team member of the Center for Architectural & Engineering Design Support (CAEDS) – Cairo University. Preliminary design & Working drawings, 2006 – 2007.

II- Participate In Some Projects As A Senior Architect And Consultant In “Historical Cairo Studies And Development Center – Ministry Of Culture“:

01-El Azhar Plaza Project, Ministry of culture, Egypt. Preliminary Design, Site Analysis and Concept Design.

02-El Hakim Surrounding Area, Ministry of culture, Egypt. Preliminary Design, Site Analysis, Concept Design and planning Studies.

III- Some Private Projects:

01- Some Private Multi-Storey Buildings & Villas in different sites and new cities, Cairo, Preliminary design & Working drawings, 2001 till now.

- 02- **Some Landscape Projects in different sites and new cities**,
Cairo, Preliminary design & Working drawings, 2001 till now.
- 03- **Rhyad El Saleheen Library**, Interior design & Furniture work,
Design & Supervision, 2000 – 2001.
- 04- **Pharmaceutical Industry – Saudi Arabia**, in cooperation with
“Arab International Consultant”, Preliminary Design, 2001.
- 05- **Rehabilitation & Reuse of El Borg Hotel**, Feasibility studies &
Preliminary design, “Continental International Hotels”, 2001.
- 06- **Reuse and Exploitation Studies of "Kouta Land –
Alexandria"**, as a team member with a GOPP committee,
feasibility studies and Preliminary design, 2001.
- 07- **“El Ganaien” Police station, Suez**, in cooperation with
“Egyptian Group for Engineering Consultation”, Preliminary
design & Working drawings, 2001.
- 08- **“El Salam” Police station, Suez**, in cooperation with “Egyptian
Group for Engineering Consultation”, Preliminary design &
Working drawings, 2001.
- 09- **Rehabilitation and façade design for the fence of "Liman
Torah Prison", Cairo**, in cooperation with “Egyptian Group for
Engineering Consultation”, Preliminary design & Working
drawings, 2001.
- 10- **“Mubarak” Police station, Port Saiid**, in cooperation with
“Egyptian Group for Engineering Consultation”, Preliminary
design & Working drawings, 2001.
- 11- **“El Metwaly” Police station & Garage, El Darb El Ahmar –
Cairo**, in cooperation with “Egyptian Group for Engineering
Consultation”, Preliminary design & Working drawings, 2001.
- 12- **“El Katoury” Police station, Giza**, in cooperation with
“Egyptian Group for Engineering Consultation”, Preliminary
design & Working drawings, 2002.

- 13- **Police Training Institute, Cairo**, in cooperation with “Egyptian Group for Engineering Consultation”, Preliminary design & Working drawings, 2002.
- 14- **“El Zakazik” Civil Affairs Complex, El Sharkeia**, in cooperation with “Egyptian Group for Engineering Consultation”, Preliminary design & Working drawings, 2002.
- 15- **Housing Units, Police Institute, El Sharkeia**, in cooperation with “Egyptian Group for Engineering Consultation”, Preliminary design & Working drawings, 2002.
- 16- **Private Villa for "Dr. Hany Ibtahim" at Hadaiek El Ahram district**, Cairo, Preliminary design, Working drawings, Bidding documents & Interior design, 2002.
- 17- **Private Villa for "Eng. Baher Torkey" at Kom Berra Village**, Cairo, Preliminary design, Working drawings & Bidding documents, 2002
- 18- **High Institute For Fashion Design, Kattamia, Cairo**, Preliminary design & Working drawings, 2002.
- 19- **Redesign the Interior place of the Cafeteria of the Egyptian Opera House**, Cairo, Preliminary design & Working drawings for Interior design, 2003.
- 20- **Multi-storey complex building in Mansoura, Governorate of Mansoura**, Preliminary design, 2003.
- 21- **Private Villa for "Mr. Waheed AbdelGhaffar" at Talaei Suburb**, Cairo, Preliminary design, Working drawings Bidding documents & Interior design, 2003.
- 22- **“Mersa Matrouh” Civil Affairs Complex, Mersa Matrouh**, in cooperation with “Egyptian Group for Engineering Consultation”, Preliminary design & Working drawings, 2002.

- 23- **“El Fayoum” Civil Affairs Complex, El Fayoum**, in cooperation with “Egyptian Group for Engineering Consultation”, Preliminary design & Working drawings, 2002.
- 24- **“Etsa” Civil Affairs Complex, El Fayoum**, in cooperation with “Egyptian Group for Engineering Consultation”, Preliminary design & Working drawings, 2002.
- 25- **“Siwa” Police station, Mersa Matrouh**, in cooperation with “Egyptian Group for Engineering Consultation”, Preliminary design & Working drawings, 2002.
- 26- **“Sidy Barrany” Police station, Mersa Matrouh**, in cooperation with “Egyptian Group for Engineering Consultation”, Preliminary design & Working drawings, 2002.
- 27- **“Stores Building” attached to Tanta Prison, Tanta**, in cooperation with “Egyptian Group for Engineering Consultation”, Preliminary design & Working drawings, 2003.
- 28- **“Ebshwai” Civil Affairs Complex, El Fayoum**, in cooperation with “Egyptian Group for Engineering Consultation”, Preliminary design & Working drawings, 2003.
- 29- **“Meligue” Police station, Menoufeia**, in cooperation with “Egyptian Group for Engineering Consultation”, Preliminary design & Working drawings, 2003.
- 30- **“Mit Berra” Police station, Menoufeia**, in cooperation with “Egyptian Group for Engineering Consultation”, Preliminary design & Working drawings, 2003.
- 31- **“El Shouraneia” Police station – El Kawsar District, Sohag**, in cooperation with “Egyptian Group for Engineering Consultation”, Preliminary design & Working drawings, 2003.
- 32- **Private Complex Building for "Dr. Mansour"**, Cairo, Preliminary design, 2003.

- 33- **Rehabilitation & Reuse of Gymnasium Basement, Faculty of Engineering**, Preliminary design, Supervision, “Faculty of Engineering – Cairo University”, 2003.
- 34- **“Sarabeet El Khadem Monumental Site”**, Urban Design Studies of the site and Visitor Centre, Preliminary design & Working drawings, 2003.
- 35- **“El Brombel Village – Giza”**, Conceptual Planning for rehabilitation and reuse, research project and studies, 2003.
- 36- **“El Shobak Village West – Giza”**, Conceptual Planning for rehabilitation and reuse, research project and studies, 2004.
- 37- **“Misr – Sat Remote Station and building”**, Cairo, Preliminary design & Working drawings, 2003 – 2005.
- 38- **“Pompey Pillar Monumental Site”**, Urban Design Studies of the site and Visitor Centre, Preliminary design & Working drawings, 2004.
- 39- **“El Labban” Guest House and Services, Alexandria**, in cooperation with “Egyptian Group for Engineering Consultation”, Preliminary design & Working drawings, 2003.
- 40- **“El Sekka El Hadid Club”**, Nasr City, Landscape design and rehabilitation of the main campus, Existing condition documentation and Preliminary design, 2003.
- 41- **“El Brombel” Police station, Giza**, in cooperation with “Egyptian Group for Engineering Consultation”, Preliminary design & Working drawings, 2004.
- 42- **“Cairo University project for Giza Renovation and Replanning”**, Giza, as a team member of the Cairo University Experts, Site survey, Studies of the site, Preliminary report & Action plan, 2004.
- 43- **“El Zomor Canal Corridor”**, Giza, Urban Design and Planning Studies of the site, Preliminary design, 2005.

- 44- **“El Heraffein industrial city”**, Giza, Urban Design of the site, and Architecture, Preliminary design & Working drawings, 2004 – 2008.
- 45- **“New Site for Giza Foundry Transfer”**, Giza Governorate, Expert Team of Cairo University. Urban Design of the site, Building regulations and Architecture, Preliminary design & Working drawings, 2004 – 2008.
- 46- **Detailed Urban Design & Planning Studies for Cairo-Alex Desert Raod Surrounding, Giza**, in cooperation with “Egyptian Group for Engineering Consultation”, Master Plan revision & Landscape studies, 2004 – 2005.
- 47- **“TV Broadcasting Building - Mokattam”**, Cairo, as a team member of the Center for Architectural & Engineering Design Support (CAEDS) – Cairo University , Preliminary design & Working drawings, 2005 – 2007.
- 48- **Environmental Profile for Helwan District**, Cairo EEAA, with CAPSCU - Center for Advancement of Post-Graduate Studies and Research in Engineering Sciences at Cairo University, October 2005.
- 49- **Environmental Impact Assessment for New Fertilizer Industry**, Ein Sokhna, Egyptian Fertilizer Company, with CAPSCU - Center for Advancement of Post-Graduate Studies and Research in Engineering Sciences at Cairo University, October 2005.
- 50- **UNDP – Skills Development Project**, as an Urban & Architectural consultant, with the MIT Center – Cairo University, Urban design studies and report, October 2005 – 2006.
- 51- **Environmental and Social Impact Assessment for the Proposed Phosphoric Acid Complex of the Indo Egyptian Fertilizer Company**, S.A.E. (IEFC) at Edfu, Egypt, with CERS -

Center for Environmental Research and Studies at
Cairo University, June 2006.

- 52- **Environmental Impact Assessment For the El-Nasr Mining Company Crushing Unit – Expansion Project**, at Edfu, Egypt, with CERS - Center for Environmental Research and Studies at Cairo University, July 2006 .
- 53- **Public Environmental Consciousness Survey, JICA Technical Cooperation**, The Regional Environmental Management Improvement Project (REMIP), with CERS - Center for Environmental Research and Studies at Cairo University, December 2006.
- 54- **“Grand Egyptian Museum”**, Giza, Inhouse Consultant for the Ministry of Culture as an Expert in EGEC House of Expertise, Landscape design revision, Mai 2006 – 2008.
- 55- **Urban Design and Landscape work for a Private Industrial Area**, Preliminary design & Working drawings, 2006.
- 56- **Rehabilitation for Building “C” for the Notional Organisation for Urban Harmony**. Conceptual Design, Working drawings and Tender documents. Ministry of Culture, Egypt, 2006 – 2008.
- 57- **Rehabilitation for some Scientific Specialisez Labs – National Institute for Standards and Measurments**. With CERS - Center for Environmental Research and Studies at Cairo University, Conceptual Design, Working drawings and Tender documents. 2006 – 2008.
- 58- **Landscape work and site revision for the Central Part of the Diplomats Touristic Village (2) North Coast (k 57,5)**. Evaluation Report and Existing Conditions. Cairo University, 2006.
- 59- **Interior Design for his Excelency Minister of Higher Education**, Ministry of Higher education and State for Scientific

- Research, Preliminary design & Working drawings & Site supervision, 2006 – 2007
- 60- **“Ministry of International Cooperation Building”**, Cairo, as a team member of the Center for Architectural & Engineering Design Support (CAEDS) – Cairo University, Rehabilitation and adaptive reuse, Preliminary design & Working drawings, 2006 – 2007.
- 61- **Environmental Impact Assessment for the Hydro-Cracking Complex Project of Egyptian Refining Company (ERC)**, with CERS - Center for Environmental Research and Studies at Cairo University, January 2007.
- 62- **Environmental Impact Assessment for IEFC Storage Facility at IMC Safaga Port**, Indian Egyptian Fertilizer Company, with CAPSCU - Center for Advancement of Post-Graduate Studies and Research in Engineering Sciences at Cairo University, June 2007.
- 63- **Environmental and Social Impact Assessment for the Repair and Expansion Project in the Ammonia/Urea Complex**, Delta Fertilizers and Chemical Industries, with CERS - Center for Environmental Research and Studies at Cairo University, October 2007.
- 64- **Urban Design for the site and the excavations areas of the Temple of Abu Sir, and services building design (Km 47) North Coast**. Proposal and Work Plan. The Supreme Council for Antiquities, 2007.
- 65- **Urban Design for the site of "Islamic City Project"**, Dubai UAE. In cooperation with "Roya design firm". Design Proposal, Preliminary design & Site studies, 2007.
- 66- **Scientific Specialisez Labs – Cairo University – Faculty of Engineering, 6 October site**. Conceptual Design, Working drawings and Tender documents. 2007 – 2008.

- 67- **Environmental Impact Assessment for the Petroleum Storage Area, Port Said Port**, with CERS - Center for Environmental Research and Studies at Cairo University, December 2007.
- 68- **Environmental and Social Impact Assessment for the Egyptian Company for Destilation, Mostorod**, with CERS - Center for Environmental Research and Studies at Cairo University, October 2007.
- 69- **Arabian Horses Village Resort – Khatatba**. Master Plan, Site Planning & Landscaping Architectural Design, Tender Documents. Emirates Company for Agricultural Development, 2007 – 2008.
- 70- **El Dar Global Resort – Sidi Abdel Rahman**. Master Plan, Site Planning & Landscaping Architectural Design, Tender Documents. El Dar Global Real Estate Development, 2007 – 2008.
- 71- **Architectural and Urban Documentation work of restoration and reuse of El Rawda El Askareia – Samerra**. UNESCO Iraq, Architectural documentation, Existing condition, as an Expert through site visits and assesment reports, Preliminary design for site prevention, 2007 – 2008.
